St Joseph's Primary School Canteen LUNCH ORDERS

There are two ways to order a lunch order:

Order online using Flexischools. If you do not already have an account go to www.flexischools.com.au to set one up, it's quick and easy to do.

OR

*Write your child's name and class on a lunch bag, followed by the order and total cost.
If you do not have a lunch bag, you can write your order on an envelope or place it in a snaplock bag with the money inside, in this case please add 10c to cover the cost of the bag. Any change will be placed back in the lunch bag.*

We can not guarantee that late orders will be ready on time so please remind your child, if they have a lunch order in a bag, to drop it off at the canteen first thing in the morning before class begins. If we can not process their order in time, we will try to find a suitable alternative.

Drinks, cold items and frozen products, will need to be collected from the canteen after eating time has finished. Children will need to bring their lunch bags to the canteen to redeem these items.

With thanks
